## **Cutting Directions**

**Note:** Read assembly directions before cutting patches. All measurements are cut sizes and include ¼" seam allowances. A fat ½ is a 9" x 21"-22" cut of fabric. Borders are cut the exact lengths required plus ¼" seam allowances. WOF designates the width of fabric from selvedge to selvedge (approximately 42" wide).

### **Making the Quilt**

The checkerboard that is in the center of each block is made with a quick strip-piecing technique. Refer to the block diagrams for fabric combinations. Join a light 2" x 21" and a darker 2" x 21" strip to make a band (Diagram 1). Press seam allowances toward the darker fabric.
 Make 3 or 4 bands in each color combination, depending

on how many strips you have cut of the fabrics.

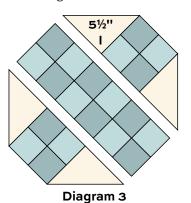

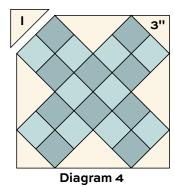

2. From each band, cut 10 segments that are each 2" wide as shown in the diagram. Join 2 of the segments to make a Four Patch unit (Diagram 2).

Make 5 Four Patches alike for each block.

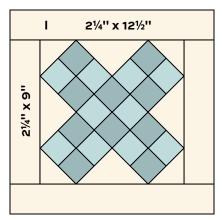

## **Crosshatch Quilt**

3. Join 3 Four Patch units to make the center row of a block, rotating the Four Patches to make a checkerboard (Diagram 3). Sew 5½" Fabric I quarter-square triangles to ends of the remaining 2 units, paying careful attention to the orientation of the triangles. Join the 3 rows to make a block center. Sew the 3" Fabric I half-square triangles to the corners as shown in Diagram 4.

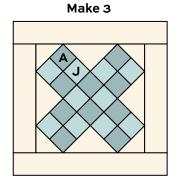

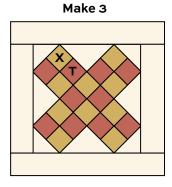

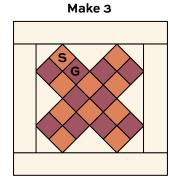

**4.** Sew 9" Fabric I rectangles to the sides of a block center. Add the 12\%" rectangles to remaining sides. Repeat these steps to make a total of 35 blocks.

## **Crosshatch Quilt**

- **5.** Referring to the Quilt Assembly diagram, arrange the blocks into 7 rows of 5 blocks each. Stand back to be certain that no block touches itself. Once you are satisfied, join the blocks into rows. Press seam allowances in opposite directions in alternating rows. Join the rows.
- **6.** Sew long borders to the sides. Sew shorter borders to the top and bottom.

## **Finishing the Quilt**

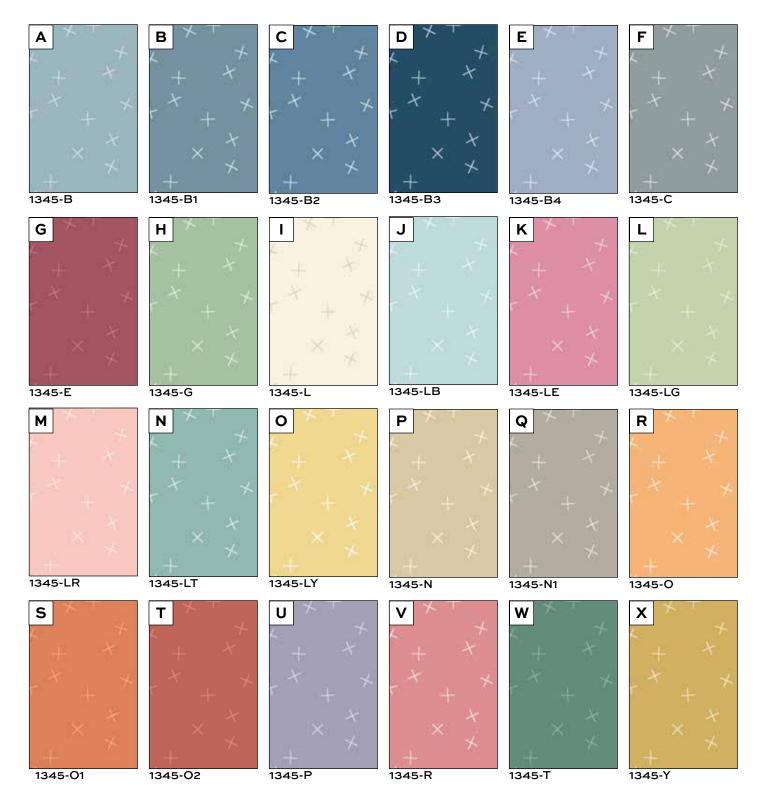

7. Layer the quilt with batting and backing and baste. Quilt in the ditch around borders and patches. Quilt the Fabric I patches and borders as you wish. Consider quilting a different pattern in the frames around each block. Bind the quilt to finish.
