Making the Quilt

1. Cut the patches and strips as listed in the Cutting Directions. Make the center panel. Matching centers and ends, sew the 27½" fabric I strips to the sides of the A rectangle. Sew the 21½" I strips to the top and bottom of the A.
2. **Border 1:** Referring to the Quilt Diagram, sew Fabric I 5" strips to the ends of a Fabric E 18½" rectangle. Add a Fabric D rectangle to each end. Make 2 borders like this. Matching centers, sew these borders to the sides of the center panel, stopping stitching ¼" from the edge of the quilt to allow for the mitered corners.
3. Similarly, sew 5" I strips to the ends of a Fabric E 10½" rectangle. Sew a D rectangle to each end. Repeat. Matching centers, sew these strips to the top and bottom of the center panel. Miter the corners. Trim the excess from the seam allowances.
4. **Border 2:** Referring to the Quilt Diagram, sew Fabric I 9½" strips to both ends of a Fabric A 18½" rectangle. Sew a Fabric G 9½" square to each end. Matching centers and ends, sew a Fabric I 38½" strip to a long side of the pieced border. Repeat. With the I strips toward the center panel, sew these borders to the sides of the quilt.
5. Similarly, join 1 Fabric A 9½" x 10½" rectangle, 4 Fabric I 9½" strips, 2 Fabric G 9½" squares, and 2 Fabric E 9½" squares in the order shown. Matching centers and ends, sew a Fabric I 50½" strip to a long side of this border. Repeat. With the I strips toward the center panel, sew these borders to the top and bottom of the quilt.
6. **Border 3:** Matching centers and ends, sew a Fabric I 58½" strip to a Fabric B 58½" border. Repeat. With the I strips toward the center, sew these borders to the sides of the quilt.

7. Sew 2 Fabric A 9½" squares, 2 Fabric I 9½" strips, and a Fabric B 50½" border together in the order shown. Repeat. Matching centers and ends, sew Fabric I 70½" strips to both long sides of the border. Repeat. Sew these borders to the top and bottom of the quilt.
8. **Border 4:** Matching centers and ends, sew a Fabric I 80½" strip to a long side of a Fabric C 80½" border. Repeat. With the I strips toward the center, sew these borders to the sides of the quilt.
9. Add a Fabric F square to each end of a Fabric C 72½" border. Repeat. Sew these borders to the top and bottom of the quilt.

Finishing the Quilt

10. Layer quilt with batting and backing. Quilt in the ditch around borders and block patches. Quilt around the printed motifs in the center panel and in the borders. Bind to finish the quilt.
