Sweet Dreams Quilt

Introducing Andover Fabrics new collection: **SWEET SHOPPE** by Andover Fabrics

Quilt designed by Janet Houts

Quilt finishes 54" x 54"

27 Blocks: 6" x 18"

Peppermint stripes in soft colors are stitched into over-size blocks that make this a quick and easy project. In either pinks or blues, it is just right to comfort a new baby.

Cutting Directions

Note: Read assembly directions before cutting patches. All measurements are cut sizes and include 1/4" seam allowances. A fat 1/4 is an 18" x 20"-22" cut. WOF designates the width of fabric from selvedge to selvedge (approximately 42" wide).

Making the Quilt

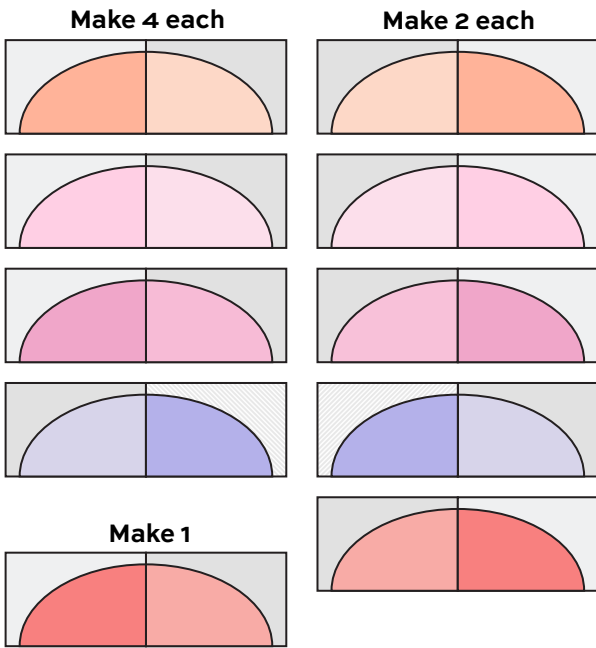

1. Make acrylic patterns of Template 1 and Template 2. Use an ice pick to punch holes at the dots. To conserve fabric, refer to the cutting diagrams to cut Templates 2 and 2 Reversed patches. Mark the dots on the wrong side of all patches.
2. Refer to the Pink or Blue block chart to combine the fabrics. Sew an appropriate Template 2 fabric patch to a Template 1 patch, matching dots. Hint: Position Template 2 patch on top and pin in multiple places along the curve. Make the number of blocks shown in the charts.
3. Referring to the Quilt Diagram, arrange 3 Blocks to make a horizontal row. Arrange 9 rows, rotating the blocks where shown. Once you are satisfied with the arrangement, join the blocks into rows, and then join the rows.

Finishing the Quilt

4. Layer the quilt with batting and backing and baste. Quilt in the ditch around block patches or quilt an overall pattern across the quilt. Bind to finish the quilt.
